

IT'S AN ARTS THING!

Who says all good things must come to an end? Surely, they didn't go to ARTS!

From the late night rehearsals that seemed like they'd never end, to eating lunch in the Green Room and having a blast at the end of the year student/teacher volleyball games, Booker T. Washington High School provided an unparalleled "right-at-home" feeling that can't ever be forgotten.

As you may already know, construction of the new and improved Booker T. is moving at a breathtaking pace. And we want to keep you posted on all the happenings from now until the highly anticipated Grand Opening Extravaganza next year!

We want you to be kept in-the-know with newsletters jam-packed with updates on construction and highlights of outstanding accomplishments by our amazing students and faculty. And most importantly, we want you to be on our mailing list so you can receive an invitation to the unforgettable events when the school reopens!

As alums, you are a part of history! Since 1922, you've set the foundation for what the future Booker T. Washington High School will be! You understand the aura of the ARTS experience and most of all; you understand that **It's an ARTS Thing!**
